

H.S. Board Drops Crossroads Site Realtors Warn Of Substandard Home Tracts

Acalanes High School District's Board of Trustees has definitely dropped any plans for a high school site at Orinda Crossroads, it was stated today by Assistant District Attorney Charles Hemmings.

According to Stanley Walgren, assistant principal at Acalanes High School, the district is now concentrating on search for a suitable site on the Moraga side of the Crossroads.

Hemmings, in charge of school matters for the district attorney's office, said that Acalanes Superintendent Neil M. Parsons phoned him several days ago to the effect

that the school board "had decided not to take the property at the Crossroads."

LAST SUMMER the high school district and the East Bay Municipal Utility District, owner of the Pine Grove land above the Shell service station, were unable to agree on price, and the school district filed condemnation proceedings against the property.

However, a few months ago, at the request of the school district, the suit was removed (but not withdrawn) from the court calendar, shortly before the matter was scheduled to be heard. School authorities, believing they might obtain

more reasonably priced land elsewhere, investigated possible sites in the vicinity of the filter plant and in the Moraga area.

The latest action by the school authorities writes "finis" to the long-drawn-out controversy about whether or not the Crossroads property could be obtained for a high school site.

HEMMINGS SAID HE had prepared a dismissal order, to have the condemnation suit dropped from the court calendar, and had sent it to E.B.M.U.D., for its attorney to sign.

"As soon as it comes back, signed, that's the end of it," he said.

"But to all intents and purposes, the matter is closed now. The school board has dropped the idea of a high school site at the Crossroads."

IN THE ABSENCE of Parsons, who was at the Public School Business Officials' Conference at Hoberg's, Walgren stated that present site-picking efforts of the board are concentrated in the Moraga area.

"I think the San Pablo Dam Road area, near the filter plant, did not offer a satisfactory site," he said. "We're looking in Moraga now, but so far as I know, there's no definite spot that has been picked as yet."

Realtors Warn Of Substandard Home Tracts

Apprehension was expressed this week by the Orinda Division of the Contra Costa Real Estate Board that plans are afoot for erection of homes "not in keeping with the surrounding neighborhood" in the Pine Grove area at the Crossroads, above the Shell service station.

The property in question was formerly considered as a possible high school site by the Acalanes High School District, but the school district has just dropped its condemnation suit against the East Bay Municipal Utility District, owner of the land. (See separate story.)

In a letter dated Tuesday and addressed to President Kirk Miles of the Orinda Association, the problem is sharply posed by the Real Estate Board's Orinda Division. Signed by John Loop, division chairman, the letter states:

"The subject of this letter is the eventual development of the acreage adjacent to and lying northwest of the Orinda Crossroads. The land has been the subject of condemnation proceedings instituted by the local high school board against the East Bay Municipal Utility District, but a few days ago the school board dropped the suit."

"THERE ARE SEVERAL unconfirmed rumors among local residents and realtors that subject property is being considered by one or two large construction firms for the purpose of residential and business development. Members of the undersigned organization have endeavored to verify these rumors, but the previously pending condemnation proceedings made absolute confirmation difficult."

"Reliable sources, however, have indicated that large construction firms definitely are interested in the parcel with the apparent intention of erecting homes not in keeping with the surrounding neighborhood."

"The advent of sewers to the Orinda area makes it unnecessary for the utility district to continue to withhold this land from the market. The pressure of population and the geographical location of the land make it a prime parcel for residential and business development. You are informed that the Orinda Division of the Contra Costa Real Estate Board today is inviting a representative of the utility district to present the plans, if any, of the district with regard to the development of subject property."

"The Orinda Division feels now that the high school suit has been dropped, the Orinda Association should take an interest in any development contemplated on this parcel. Therefore, the purpose of this letter is to apprise you of the current situation and possible future events."

E.B.M.U.D., THROUGH Phil Wagner, in charge of its properties division, stated that no discussions regarding the disposition of the land have been held.

"The Utility District is now contemplating the survey of this entire parcel of land, and when that is completed it is our intention to advertise this property for sale," Wagner said.

"It is the policy of the district not to enter into prior negotiations. No informal discussions have taken place."

John W. McFarland, E.B.M.U.D. general manager, and Hart Eastman, assistant secretary, were attending the American Water Works Association national convention at Miami, Fla., and so were not available for comment on the situation.

Fire at Garage Of Jack Buchter

Fire broke out in the garage at the Jack Buchter home at 231 Glorietta Boulevard yesterday afternoon but was quickly put out by Orinda firemen, Chief H. E. Wyatt reported.

A couple of chairs were burned and walls were scorched, the chief said. A car had been backed out of the garage by a neighbor before it could be damaged.

Over 400 Reservations in for Lunch

Orinda members of the Tanager and Oriole groups, Mt. Diablo Therapy Center Auxiliary, and their guests are getting out their best bonnets in preparation for the May 9 Bridge-Canasta Luncheon at Mt. Diablo Country Club.

Guests gather by twelve, with luncheon being served at 1 p. m. Over 400 reservations have already been made.

Mrs. C. Ron Anderson and Mrs. Herbert Wise with their hostess committee will be on hand to assist in locating table reservations.

After the awarding of the vacation trip and the door prizes, arranged for by Mesdames C. E. Cook and Marvin Bonds, the Kiddies Fashion Show will begin, Miss Goldie commenting from Joseph Magnin's. Mrs. Calvin Hagstrom and Mrs. W. D. Coleman are training the small models. Canasta and bridge will provide entertainment for the remainder of the afternoon.

Final arrangements were made at the combined board meeting held last week at the home of Mrs. Joseph B. Downs. Thanks go to Mesdames Thomas Moore and Victor Savale and all the school children who provided such artistic posters, displayed in all the store windows.

Garden Club 1st Prize Winner at Big Spring Show

Two awards were won by the Orinda Garden Club at the California Spring Garden Show at Oakland Exposition Building this week.

For its sectional glass cabana-type hothouse, the club won a \$500 first award. For its table arrangements, a \$20 first prize was received.

Featuring an informal type garden, including geranium and marguerite plantings, the cabana housed plants from the members' own greenhouses, including orchids. Daisies were also among the flowers on display.

Co-chairmen for the exhibit were Mrs. Woodburn K. Lamb and Mrs. William E. Kilgo.

The prize-winning outdoor table arrangements was under the direction of Mrs. C. Walter Cole.

Assisting Mrs. Lamb and Mrs. Kilgo were Mesdames J. M. Rodwell, H. C. Gathings, Edward Rogers, William Fleager, W. H. Morley, Richard Breuner, C. W. Merrill and E. F. Hockenbeamer.

Mrs. Cole's assistants were Mesdames Henry Gentry, E. F. Hockenbeamer, R. A. Stark, MacDonald, E. Hadden and William Wilson.

Mrs. Lamb reported on the successful exhibit at yesterday's meeting of the Orinda Garden Club at the Orinda Country Club.

Speaker was Milton R. Bell of the County Farm Advisor's office, whose subject was "Bugs in Your Garden." Mrs. William Everts presided, and Mrs. William Wilson, program chairman, introduced Bell.

Six Injured in Weekend Crashes

Two week-end crashes in this area scored a tally of six injuries.

In the first accident, a broadside-right angle collision at Orinda Crossroads, Jean Atkins, 26, of Berkeley, was hurt when the east-bound car in which she was a passenger smashed into one starting south along Moraga Highway, according to the California Highway Patrol.

She was taken to a private physician. The car in which she was riding was driven by Gordon Atkins, 25, Berkeley. Driver of the other auto was listed as Marjorie Manor of Charles Hill Road. The crash occurred at 8:45 a. m.

Five minutes later three cars tangled in a rear-end collision along Mt. Diablo Boulevard and Upper Happy Valley Road, and five were injured.

Drivers Donald Miller, 19, Oakland, and Kazuma Motomi, 50, Lafayette, were injured, as were passengers in their cars—Wayne Pudwill, 13, and Glenn William Pudwill, 16, both of San Leandro, in the Miller auto, and Tomokichi Tsuchichira, 58, San Francisco, in the Motomi vehicle.

Miller and the Pudwill boys were taken to Concord hospital, but the other two required no service.

The third driver, Mildred McFarland, 54, Oakland, was reported unhurt.

The car driven west on the highway by Elbert Johnson, 56, Berkeley, ran off the roadway about a third of a mile west of Charles Hill Road Tuesday afternoon of last week.

Taken to Permanente Hospital was Jasper Owens, 29, Oakland, a passenger. Johnson was listed as uninjured.

Hold Protest Hearing

Public protest hearing regarding establishment of Local Improvement District No. 23, which involves installation of sewer lines in the Lake Cascade area, was scheduled to take place last night at Central Contra Costa Sanitary District office as the SUN was going to press.

TEN CENTS

Woodlands Suit Ends in Victory Against Builder

With the result hailed as setting an important precedent in the upholding of deed restrictions, Moraga Woodlands Association has won its court case against builder Charles C. Scurich of San Francisco.

Attorney William H. Brailsford, counsel for the association, announced he received a memorandum from Superior Judge S. C. Masterson's court in Richmond informing him of the court order "enjoining defendants from building contrary to restrictions, including the restriction against constructing a building of less than 1,000 square feet floor area."

Judge Masterson's order was dated April 24.

"THIS DECISION SETS an important precedent," Brailsford declared. "It upholds the validity of deed restrictions by improvement association as binding upon residents."

Judge Masterson's ruling followed filing of the final brief, a reply by Brailsford, recently.

President William P. Wood of the association had predicted that a favorable decision would have "far-reaching effects, not only for Orinda but for the entire county."

"IT WOULD MEAN protection of money invested in homes in Orinda and throughout the county," he said. "It would also benefit all improvement associations, in that it would set a precedent."

Scurich has been represented by the San Francisco law firm of Peart, Barraty and Hazard.

During the trial about two months ago Scurich stated that the place under construction was intended to be a guest house, and that he was planning to build a \$40,000 home with a swimming pool.

C. of C. Nominates Underwood Prexy

Stanley Allen of the nominating committee submitted the following panel of officers at the Orinda Chamber of Commerce's directors meeting yesterday at Casa Orinda: Ramsay Underwood, president; Al Eberlin, vice-president; John Stoffel, treasurer and Andrew Blacklock, executive secretary.

New directors nominated are Virginia Hammond, Frank Black and Fred Troy, while holdover directors are Bill Worden, Ernie Poll and E. W. Phair.

THE PROPOSED SLATE will be sent to all members, with further nominations from the floor at the May 17 meeting. If no additional names are suggested, the named panel will take office.

Construction of the Crossroads bus shelter, the chambers' major project, has been deferred pending final confirmation on a proposal from the Shell Service Station that it include doing the area to be occupied by the shelter in a contemplated paving project of its own.

Since the Shell Station is planning to enlarge and pave its outdoor area, the offer was extended to the chamber, which expressed appreciation of the suggestion.

SINCE LUMBER HAS been located at a price within the budget for the shelter, directors are prepared to go ahead with construction.

Chamber directors have expressed particular appreciation to the members of the Contra Costa County Commuters Association who anonymously drew up plans and made architect's drawings for the bus shelter, presenting them to the chamber as a gift.

HUSBANDS, TAKE NOTE!

THOSE SMILES MEAN fun and fried chicken for husbands. These hostesses for the May 18 box supper being planned by the women of St. Stephen's Episcopal Church are concocting just that sort of program. The affair will be held at the Robert Moorehead home, 36 Via Floreado. Left to right, the hostesses are Mesdames William David Coleman, Roy Johnston, John D. Van Dyne, Clinton De Witt, Jr., and (standing) Ernest Kahl. Not in the picture is Mrs. Eugene Shurtleff, also on the hostess committee. Mrs. De Witt is in charge of the event. — Tribune photo

Local Work Gets County Roads in Sleepy Hollow

Culminating months of effort by the Sleepy Hollow Improvement Association, several roads in Sleepy Hollow have recently been accepted by the county.

In a letter sent Monday to the members of the organization, President Joseph D. DeCosta lists the following as having been accepted by the county:

1. — SLEEPY HOLLOW LANE loop, including the portion of Tarry Lane between Sleepy Hollow Lane and Lombardy Lane.
2. — Washington Lane.
3. — Normandy Lane, to and including Lot No. 274.
4. — Irving Lane.
5. — Van Ripper Lane, from Irving Lane to Lombardy Lane.

"THE COUNTY'S ACCEPTANCE of these roads," DeCosta states, "was made possible by:

- "1. — The hard work of our road committee, consisting of Everett Ham, J. D. DeCosta and Dr. James Seaman, chairman.
- "2. — The splendid cooperation of both H. L. 'Jack' Cummings, county supervisor and chairman of the board, and Joseph Barkley, county surveyor and road commissioner.
- "3. — The financial aid given by Richard S. Rheem, president of the Rheem Manufacturing Company, owner of the unsold lots in Sleepy Hollow Units No. 1 — No. 2 — No. 3.

"THE ABOVE IS the culmination of a number of months of effort on the part of your Sleepy Hollow Improvement Association to improve our roads and relieve individuals of road maintenance responsibility, and is just one of the many projects your association has been working on."

These roads, DeCosta reported, were accepted as of April 9.

Last week the Board of Supervisors accepted the remaining portion of Lombardy Lane as a county road.

Hundreds of Children Expected at Rotary Club's Field Day May 12

Between 300 and 400 boys and girls are expected to swarm to Orinda School May 12 for Orinda Rotary Club's first annual Field Day from 10 a. m. to 2 p. m.

The service club, in cooperation with Orinda Schools, has planned a variety of events. First, second and third place winners in each competition will be awarded medals, 120 of which have been provided by Rotary.

Among events planned by Frank Isola, physical education instructor for the schools, are: 50 yard dash, 75 yard dash, sack race, potato race, baseball throws for distance, baseball throws for accuracy, basketball shooting, volleyball, broad jump, high jump and others. The competitions will be open to both boys and girls.

Superintendent Joseph Sheaff is chairman of the Rotary committee, assisted by Frank Olsen and Isola.

Orinda Mothers Club will sell hot dogs, soda and ice cream during the event and parents will assist. Sheaff has announced that the help of 30 or 40 fathers will be necessary and asks for volunteers.

Medals to be awarded at the conclusion of the program are on display at the American Trust Company, in the Village and at both schools.

Dramateurs Will Sponsor Mills Play Here May 14

Under sponsorship of Orinda Dramateurs, Mills Theater Guild will present the Spanish comedy, "Fortunato" at Orinda Grammar School May 14, 8:15 p. m.

The "in the round" presentation, in which the players perform in the center of the surrounding audience, is the modern departure from customary dramatic procedure which was recently publicized in Life magazine.

Written by the Brothers Quintero, staging and designing of "Fortunato" is arranged by Arch Lauterer of the Mills group.

Members are Mills graduates, all with drama masters degrees. In the company are Joan Bromley Burke, Beverly Johnson, Alice Robison Lauterer, Phillip Lerman, E. Oliver Olsen and Paul Sherman.

Each is noted for his adaptability, able to take two or three parts in a production. The Guild has won wide acclaim in the Bay Area for its semi-professional work.

Hi-Lites on Hi-Life

By DON and DONNA

DID YOU REALIZE that there are only 28 days left of school? Only 27 left for the seniors.

Better start your hunting for promotion and graduation gifts if you expect to get anything.

As usual, the seniors are being deluged with the usual amount of literature from large and small colleges and universities. Each one assures you that they are the best and the one-and-only college for someone with ambition and brains. Like you.

Besides the mailed literature, Contra Costa Junior College sent speakers over to talk to the seniors, and it will have to be admitted that they were pretty good, especially Acalanes alumna Pat Herrick. Wow!

HERE AGAIN is a revised list of Acalanes alumni who are in the service.

Lynn Amason, class of '49, is now in the Navy; Don Ambrose, '50, Marines, Camp Pendleton; Harry Abel, '50, Navy; Jim Brown, '48, Army, Fort Ord; Jim Barrett, '50, Marines, Korea.

Bruno Chiavini, Army, France; Bob Cook, '47, Navy; Ray Dovik, '48, Navy; Harry Day, Army, Fort Ord; Keith Duarte, '49, Marines, Santa Monica.

Jim Forni, '49, Marines, Korea;

Don Ferrarese, '49, Army, Fort Ord; George Granter, '50, Marines, Camp Pendleton; Bill Hampton, '50, Navy, San Diego; Eric Ingebrigtsen, '50, Air Corps, North Carolina. Ken Jones, '50, Navy, San Diego; Dave Johnson, '49, Marines, San Diego; Bill Luckes, '48, Army, Fort Ord; Cliff Lucas, '50, Marines; Marvin Lucas, '49, Marines.

Jack Malley, '46, Army; Kern Matlock, '49, Air Corps, San Antonio; Jack Neldam, '50, Marines, Washington; Harry Nielson, '51, Marines, San Diego; Ron Patten, '46, Army, Fort Ord.

Bill Rupp, Army; Rodger Sadaro, '48, Air Corps, Denver; Jim Selby, '48, Navy, San Diego; Lou Villierme, '48, Marines, San Diego; Roland Van Deventer, '48, Army, Fort Ord.

Tom Van Voorhis, '48, Air Corps, Lowry Air Base; Dean Welch, '50, Air Corps, San Antonio; Pete Wilkin, '47, Army, Fort Ord; Dick Welch, '48, Air Corps, Illinois.

THE TOP TEN Teachers contest is now officially closed and the winners will be announced in the next issue.

Few realized that Clyde Divine, who introduced the Sequoia Trampoline team was the same Clyde Divine of the famous "Vow Boys" of O.S.C. in the 30's. They devised a new play at O.S.C. to block point-after touchdown. They called it the pyramid play and Clyde was the key man in this play, not to mention his being All-American center.

Also, Mr. Divine is a good friend of your own Mr. Walgren. Well, a small world isn't it?

County Historical Society Formed

Long projected, the Contra Costa County Historical Society came into being Monday night at a dinner meeting at Nick's place, Martinez, at 7 o'clock, that was attended by more than 150 persons from all parts of the county.

With Dr. C. L. Abbott, pioneer Richmond physician and veteran county coroner, as guest of honor, the group selected its initial slate of officers as a permanent organization. W. R. Knowland, publisher of the Oakland Tribune, was invited as a special guest.

THE HISTORICAL SOCIETY is being launched by the History and Landmarks committee of the Contra Costa County Development Association of which Justice A. F. Bray is chairman. He was chairman of the dinner meeting.

"There has been a tremendous response to the organization plan, particularly from persons long resident in the county and with connections with pioneer families," Judge Bray said. "There is a growing recognition of the requirement of a permanent organization to preserve Contra Costa relics and document its history."

Dr. William Paden, superintendent of Alameda schools, was the speaker and discussed California history. He touched upon emigrant trails. Dr. Paden has explored all of them and his findings and research have been embraced in books written by Mrs. Paden.

ACTIVE IN THE organization program were Judge Bray; O. J. Wohlgemuth of Walnut Creek,

trustee of the Junior College; Walter Helms, retired superintendent of Richmond schools.

Gold charter membership cards were distributed at the meeting.

William O. Barnes, president of the Development Association, opened the meeting and presented Judge Bray as chairman.

Devotions for Peace at 8 O'Clock Mass

All members and friends of the Santa Maria Catholic Women's Club are invited to attend Our Lady of Fatima Devotions for Peace at the 8 o'clock mass on Saturday, May 5.

The monthly group communion will be held at the 8 o'clock mass on Sunday.

That Lovely Luau Mood . . . It's Time to Start Getting Into It

BY EDITH BOLMAN

Are you in a luau mood? If not, you had better start to rearrange your thinking. Preparations are under way and the big day has been chosen.

On a warm and moony evening in September (the eighth, if you're curious) couples from far and near will be prowling up and down Happy Valley Road looking for the Vad Jeltens' estate.

THERE IN ALL its glory will burst forth another colorful pageant—burning torches (with the fire department's consent), flowers from the South Seas (thanks to that modern contraption, the airplane), dancers (this time with a Tahitian swiggle (i.e., sway plus wiggle equal swiggle) and excellent food (to be managed, supervised and trans-

formed into an epicure's dream by our loyal friend Mr. Trader Vic).

By whom done? Naturally, the Orinda Branch of the Children's Hospital.

WHY DONE? To subsidize the Contra Costa youngsters who need hospitalization not otherwise forthcoming.

How done? By the enthusiastic work of the following women:

Mesdames Ted Beckett, Robert Bolman, Robert Bridges, Edmund Cardin, Carl Dailey, Beach Dean, Frank Fee, William Foster, Fred Goodwin, Vad Jeltens, James Kahl, Emmett Kilpatrick, Woodburn Lamb, Milton Selby, Arthur Schen, Thomas Telfer and Lyle York, Jr.

Do you realize how much it costs when you drive through the tunnel to shop?

Iris Time

You and your many friends are cordially invited to visit our Iris gardens at the height of their bloom, May 5th thru June 15th. We have the largest Iris planting in Northern California, 10,000 blooming plants, consisting of about 250 varieties, many of the latest creations . . . 1st Prize winning Iris at the California Spring Garden Show will be shown.

Diablo Art Show Set for May 14

The first annual Spring Exhibit of the Diablo Art Association will open May 14 in the new Pylon Building, 1634 Main Street, Walnut Creek.

The public is invited to attend this all-membership show, which will remain on exhibit through Sunday, May 20.

Paintings, sculpture, pottery, and handicrafts not previously shown in the Diablo area will be featured.

Members may obtain entry blanks at the painting class at the Walnut Creek Kindergarten, at Eleanor Condon's Ceramics Studio in Saranap and at the Potters Wheel and the Craft Shop in Lafayette.

Catholic Census Drive Completed

The census drive conducted by the Santa Maria Catholic Women's Club is officially completed with highly gratifying results.

Mrs. Dean Lippe, general chairman, reports that her hard-working and efficient corps of workers may not have been able to contact every Catholic family within the parish. She asks that any Catholics not yet called upon please phone either Mrs. John Stahle, Orinda 2557, or Mrs. Jack Jansse, Orinda 2575, so that they can be officially registered.

Can Commuters Be Carefree? Yes, At Gay Gathering Set for June!

Saturday, June 23, will be the date of an informal get-acquainted dance party for the Contra Costa County Commuters Association at the Walnut Creek American Legion Hall.

Mrs. Johnny Lister of Pleasant Hill, committee chairman, announced that the name "Commuters Cotton Caper" had been chosen from a list extending from Commuter's Carnival to Tunnel Traffic Tangle.

ALL ASSOCIATION members, their wives or husbands, their friends and all prospective members are invited.

There will be various refreshments and the admission ticket, \$1.50 a person, will include a buffet supper to be served at 11 p.m. Bob McBride and his orchestra will furnish dance music. Several entertainment skits will be presented. Civic leaders and county officials will be guests of the association.

WHILE the bus-riding theme may predominate, welcome will be extended to all commuters who travel otherwise, the association membership being open to all residents who travel through the tunnel to work. The dance committee is extending a special invitation to the Greyhound bus drivers, many of whom enjoy living in Contra Costa County just as much as the commuters do.

Tickets to the dance went on sale yesterday, and may be obtained from most association members or Ticket Chairman Norma Warner, Las Juntas Road, Walnut Creek.

PRESIDENT Aubrey Macomber and members who ride to work on the Oakland bus with him are rehearsing original songs (parodies) for a part of the entertainment, and each morning other travelers on the bus find it more distracting.

Officials of Pacific Greyhound Lines and the Public Utilities Commission will be urged to join in the festivities.

Cancer Fund Far Short; Donations Urged at Once

"Don't delay! Act now! Send in your contribution immediately. Help save lives in this community and put Contra Costa County over the top in the 1951 crusade against cancer."

This was the appeal voiced by R. W. Rinehart of Walnut Creek, president of the Contra Costa County Branch of the American Cancer Society, as the closing days of the 1951 campaign found the county far short of its goal of \$15,000.

"If you received a letter of solicitation in the local campaign and have put it aside," continued Rinehart, "get it out now and mail your contribution immediately. If you didn't receive a letter — and it was impossible to reach everyone by this means — send in your check anyway to your unit chairman — Mrs. W. W. Ornduff of Lafayette or Mrs. John L. Gompertz of Orinda — or to county headquarters, care of Mrs. Aubrey Macomber, 1000 Oak Grove Road, Concord."

Mrs. Reginald H. Biggs, of Walnut Creek, county commander of the Contra Costa County Branch explained how funds raised in the current campaign are expended.

"Forty cents of every dollar collected remain with the local branch for direct aid and educational work," she stated. "Of the remainder, 25 cents goes for national research in seeking a cure for cancer and the remaining 35 cents finances state and national educational and service work."

Jacquelyn White Now Stationed at Stoneman

Having completed her basic training at Lackland Air Base, San Antonio, Private First Class Jacquelyn White of the Women's Air Force, daughter of Mr. and Mrs. Robert E. White of Pleasant Hill and Lafayette, has been transferred to Camp Stoneman. She arrived there Monday morning.

Fore? 4's All Piedmont Netted From Acalanes

The Acalanes golf team hit the ball with vim, vigor and accuracy last Friday afternoon, with the end result that Piedmont High came out on the short end of the 23-4 tally.

Bob Diehl was low with an 82, winning 2½-½. Dave Cranston had an 83 for a 2-1 win. Mike Elvidge showed an 87 for a 2½-½ advantage.

Jack Stoffel hit an 85 but lost 1-2. Don Reid won 3-0 with 95 for the course. Jack Luedemann with 87 won 3-½, as did Bob Andrews with a 93, Bob Crall, 98, and Ray Orr, 95.

JACK STOEFFEL was hot as the proverbial firecracker as he shot a neat 74 at the Oakland City Championships at Lake Chabot last Saturday.

Jack missed the championship by one stroke but made the Mark Fry fight which is composed of 32 fine golfers.

Dave Cranston and Coach Ed Dilling entered the event but failed to qualify.

THREE YOUNG golfers, Dave Cranston, Don Reid and Raymond Orr, are scheduled to match strokes with other Bay Area golfers when they compete in the 16-year-old or younger fight this Sunday at Lake Chabot.

Show Old-Time Movies Here This Weekend

A group of films recently honored at the International Cinema Festival in Rome, Italy, as being representative of the growth of the motion picture from its inception in 1903 up to the talking picture era, will be shown in Lafayette Town Hall tonight and tomorrow night at 8.

The program will open with "The Great Train Robbery," produced by Thomas A. Edison in 1903; following will be excerpts from D. W. Griffith's "Birth of a Nation," and then will come Theda Bara's "Mystery Woman," the Senior Douglas Fairbanks' "The Americano" and "Punctured Romance," starring Marie Dressler, Charles Chaplin and Mable Normand.

Dons Rate High In Track Trials

Track trials for the county meet were held at Mt. Diablo High Tuesday afternoon, with everything going pretty much according to form.

Acalanes and Mt. Diablo qualified 11 each in the Varsity finals, with Antioch and Pittsburg placing seven, and Albany and Alhambra two each, while John Swett failed to register in any event.

IN THE BEES Acalanes, Diablo and Pittsburg placed seven each, Antioch four, Albany six and John Swett one, with Alhambra not qualifying.

Those qualifying were:

VARSITY:
120-yard high hurdles: Bob Wickman, Jerry Coad.

100-yard dash: Ed Broome, Darrell Crossman.

440-yard run: Ron Souder, Joie

150-yard dash: John Hansard, Tod Pearson.

180-yard low hurdles: Jerry Coad, Bob Wickman.

220-yard dash: Bill Abreu, Darrell Crossman, Ed Greub.

BEES:

75-yard dash: John Hansard.

330-yard run: Don Ambrose, Alan Culp.

120-yard low hurdles: Al Culp, Doug Cooper.

Barbershoppers To Pick Officers

The Orinda Barbershoppers (The Orinda Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Incorporated) have announced their annual election of officers will be held next Wednesday night at the Orinda Roost.

Activities of the chapter are increasing, according to Wes Hill, chapter vice-president. The Cross-roads Quartet is scheduled to entertain at Camp Stoneman next Thursday. The chapter chorus will again sing for the wounded veterans at Oak Knoll Hospital at an early date.

The Barbershoppers meet at 8 p.m. every Wednesday evening at the Orinda Roost. All men living in the East Bay who enjoy singing the old barbershop ballads in either quartet or chorus are invited to attend.

ADOBE BRICKS POPULAR

Sun-dried adobe bricks are becoming increasingly popular for building one-story houses in the West. This rustic and natural looking material insures fire-proof, decay-proof, termite-proof and weatherproof construction, says L. W. Neubauer of the agricultural engineering division of the University of California at Davis.

There's Method in This \$2 'Madness'

If there's been a flood of \$2 bills in this area during the past week, don't be mystified. It's all part of a "gag" with a serious purpose by the Cutter Laboratories of Berkeley.

Just to show how much business is created by the fact that Cutter Laboratories are in business, the firm last week paid all its employees in \$2 bills; also, individual Bay Area firms dealt with by Cutter were being paid in \$2 bills.

IDEA WAS to keep the \$2 bills moving as far as possible — not to bank them. Altogether, some 95,000 \$2 bills, generally considered scarce as hen's teeth, were thus placed in circulation.

Residents of this area who are on the Cutter payroll and have supposedly been helping in the distribution of the \$2 bills include:

Dwight C. Birch, Lillian Cardwell, Donn Court, Earl W. Gudmundson, Jo Anne Guldencoph, Paul M. Hayes, Robert J. Horton, Roger V. Loutz, William L. Perkins, Theodore R. Sandberg and Richard H. Seuben of Lafayette.

Gerhard Burde, John S. Edwards, Jr., Frederick F. Johnson, Orville P. Nuffer and Dr. Walter E. Ward

of Orinda.

Margaret S. Milburn of Moraga and Leslie T. Whitman of Canyon. NOT ONLY THAT, but the Radonich and Von Guenther contracting firm of Orinda, building a new home for Fred A. Cutter, secretary of Cutter Laboratories, was paid in \$2 bills.

And Worden Travel Agency in Orinda, which handles transportation arrangements for Cutter, was also paid in \$2 bills.

All in all, looks like those \$2-bill "hen's teeth" have become pretty sharp!

William Ross Guest At College of Pacific

William Ross, Acalanes counselor and instructor, visited College of the Pacific last week as one of several high school counselors feted by the college administration.

Counselors were informed of the new COP registration requirements for the college, which has just started a four year program. The college had previously been open to only juniors and seniors of accredited standing.

Legislature Considers New Set Up For 'Urban Unincorporated Areas'

On authorization of the board of directors, President William O. Barnes has named a committee of three members of the Contra Costa County Development Association to study an Assembly bill that would provide machinery for the establishment of a new California governmental unit to be known as urban unincorporated areas.

Named on the study committee are Howard Greenhalgh of Walnut Creek, Tony Dowdell of Crockett and H. S. Dodge of Richmond. The proposal is embraced in Assembly bill 3217.

THE COMMITTEE will seek to convey to the directors as soon as possible an opinion on the proposed legislation for transmission to the county's legislative representatives. The bill effects taxation and would provide for minimum type municipal services in unincorporated areas with population of not less than 300.

THE MEASURE has attracted deep interest from municipal agencies and boards of supervisors and because of its widespread effect upon many factors of county life was deemed a proper subject for inquiry by the association.

Generally, areas created under the act could have performed on an area basis such services as police, fire protection, community playgrounds and parks, sewer construction, road building, and "other similar local services or functions not performed generally on a countywide basis but provided by special districts or cities."

BARNES INFORMED the directors that the Board of Supervisors and T. H. DeLap of Richmond, former state senator, have written Governor Earl Warren urging the appointment of Attorney Joseph Judson of Pittsburg as a member

of the California Highway Commission in the event that there is accomplishment of a present proposal to increase the commission membership from seven to nine members. Judson, chairman of the Association's Highway Committee and incoming president, is the supervisory liaison officer to the commission now.

The directorate strongly urged continuance of the association's education committee on discussion of a suggestion of discontinuance, which was aroused following the resignation of Claude Stitt of Antioch, as chairman. Stitt, who resigned because of press of business affairs and civic responsibilities at Antioch, joined with proponents of committee continuance.

STITT SAID THAT there is increasing demand that an organization like the association maintain close interest in the school system.

"The association has several spheres in which it can operate with effectiveness," Stitt said. "High building costs and increasing enrollment may force us to 12 months use of buildings on a rotation basis to replace our present nine months usage. There is interest in maintaining contact because of doctrines that may be taught in our schools and there is the field of improved business-labor relationships. Labor is just as interested in this phase as is industry. There is the broad interest, too, of teaching of the fundamentals on which our country was founded."

"THE ASSOCIATION has a deep and broad interest in maintaining contact with education in our county."

Reports by committee heads submitted to the directors included: Highways, Joseph Judson; Water, H. B. Hemmen; State Fair, Iona M. Booth; membership, Leigh Smith.

Check Your Headlights!

Weak headlights mean poor visibility. And in winter when sleet and snow blur your windshield, weak lights can be doubly dangerous. Check your lights and battery now for safer winter driving.

Be Careful—the life you save may be your own!

Kefauver Says We're Getting Near 'Saturation Point of Corruption'

Americans have come dangerously close to "the saturation point of political and criminal corruption which may pull us down entirely," Senator Estes Kefauver of Tennessee, chairman of the Senate Crime Investigating Committee, says in an article by him in the Saturday Evening Post.

The senator declares that in other lands such corruption reached the "ruination point" where "democracy and national strength were utterly lost," but he adds:

"WE CAN BEAT organized crime if all good citizens will open their eyes to the danger we are in."

In the article, Kefauver discloses that a "big business operator" described as "Mr. X" tried to buy him off during the recent investigations by the committee. This man, the

senator states, offered him a six-figure contribution for the Democratic National Committee.

Kefauver says he turned the man down flat, and explained he is not yet naming him "because as yet, so far as the law is concerned, there is nothing against him, except for some very shabby publicity."

Senator Kefauver continues:

"... BUT MR. X was persistent. If he couldn't give me the contribution ... (or) buy me two secretaries ... (or) have his girls address envelopes for me, could he at least give 'a big cocktail party for you ... and invite a lot of important people in Washington?'"

"Mr. X, I am sure, is going to continue to make a lot of money—at least for a while. But ... I still wonder just how cheap do these fellows think their public representatives are? The shame of it."

'Y' Program May Be Set Up Here

A Y.M.C.A. youth program for the Lafayette - Orinda - Walnut Creek area is a definite possibility.

William P. Coston, former International Y.M.C.A. secretary in Bolivia who is currently studying at the University of California preparatory to helping rebuild the "Y" in Korea, has been interviewing school, church and community leaders in an effort to determine whether there is a need for such a program.

The Berkeley Y.M.C.A. set aside funds for the program, and an extension committee studying the problem is headed by A. W. Elkington of Orinda. Coston will make his report to the committee.

Other local people on this committee are Rev. Fred Morrow, Fred Twining, Wilber Twining, Everett Howe, M. S. Jacobus and Warren Harrold, all of Orinda.

Parsons Attends Business Confab

Acalanes Superintendent Neil M. Parsons and Ross Reagan, Acalanes business manager, attended the School Business Officials' statewide conference at Hoberg's this week.

The conference of school business administrators probed school purchasing and auditing, budgets, building construction, equipment, maintenance, cafeteria management, plant operation and transportation problems.

Superintendent Parsons has been working as a member of the school buildings committee which made a special section report to administrators at the conference. Parsons discussed school building design and costs.

'Feeds' Planned For Trail Riders

A steak barbecue will be served for horsemen and women at the Concord-Mt. Diablo Trail Ride Association show grounds, Pacheco Road, Concord, Saturday afternoon, May 12, after the first day's performance of the two-day spring hunter trials and horse show.

On Sunday, May 13, morning, before the grand finale performances of the third annual show, free coffee will be served at a hunt breakfast.

Home Society Plans Campaign

Highlighting Mothers' Day, May 13, many residents of this district are assisting the Children's Home Society of California with the adoption agency's sixtieth annual mail solicitation.

Honoring the dozens of Eastbay women who have served as "foster mothers" for the wards of the agency until the youngsters are placed in permanent adoptive homes, the CHS will culminate its mail-drive on May 13.

Auxiliary members from this area have aided the Oakland office and nursery at 6515 Outlook Avenue by checking hundreds of names and addresses and by volunteering hours of clerical work, in an effort to make the anniversary campaign the most successful of any drive yet sponsored by California's only statewide, licensed and privately operated adoptive agency.

One of the largest private adoption agencies in the nation, the CHS has received wide recognition for its careful methods in placing homeless tots. During its sixty years of service in California, the agency has found homes for 15,263 children. Last year 170 children were placed in new homes in Northern California through the 6515 Outlook Avenue office.

Take Steps to Form Las Lomas Parents' Club

William Sweetland and Mrs. Paul Osgood were appointed to head a committee of 15 Walnut Creek citizens to organize a Las Lomas Parents' Club at a recent general meeting of Las Lomas parents.

As temporary chairman and secretary, Sweetland and Mrs. Paul Osgood, and the committee, are preparing a constitution and by-laws for the new Parents' Club at a general meeting of Las Lomas parents scheduled for May 23. Sweetland's committee will also nominate a slate of officers to head the permanent club being planned.

Assisting in the formation of the new Parents' Club are Mrs. T. E. Carroll, president of the Acalanes Parents' Club, Mrs. R. C. McBride, Acalanes Parents' vice-president, and Kenneth Courtright, Acalanes parliamentarian.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Taxpayers Start Survey to Show Need for Officer

The Contra Costa County Taxpayers' Association intends soon to begin a definite county survey to show the requirement of a county administrative officer and also the localized field of operations, Association President C. M. Fleager announced today.

"Our preliminary presentation has brought expressions of interest from members of the Board of Supervisors," Fleager said. "There is now general understanding of the functions of an administrator. The association feels that now that this interest has been established that we should proceed into a study of specific application."

This study will cover the county historically, from a governmental standpoint, the present requirement and sphere of operations and how an administrative officer can be a co-ordinating and executive agency in our own county. We have presented a general case. Now, we want to proceed to our specific case. This study will require some time."

THE ASSOCIATION president said that widespread interest has been expressed by quasi-public agencies and by many individuals as a result of a general information campaign presented in the newspapers and to improvement clubs and chambers of commerce.

"We have had many individuals express approval of the association program," Fleager said. At least one newspaper has declared itself 100 percent for the proposal and others have indicated their support.

"OUR GENERAL informative campaign very definitely has conveyed to the association that interest is at such a level that there is justification for proceeding to the specific study that will now be undertaken."

Fleager said that it has been found in varied expressions that the people as individuals, and in organization expression, are highly conscious of government operation and view the county administrative officer proposal as a means of assuring extended service, economies in government and execution of the policies and programs of the supervisors.

"Every individual and every agency comments upon the tremendous growth of the county and the increasing demand for services. The association's aim is based completely upon effective government that will give to our supervisors effective administrative machinery," Fleager said.

Cap Sandford Sez:

NOW I AM DEFINITELY NOT a Truman fan, nor am I a MacArthur fan.

I am a Republican and not a bit ashamed of it; nor, come to think of it, and looking at the recent past record of the Republican Party, not very proud of it, either.

One lady recently looked me square in the eye and said, "You are a black Republican!" Now I have seen a Black Angus and an ace of spades, and I have heard of a black Protestant, and I used to be a black devil, but a black Republican! Well, I guess that must be me ... and so what?

Now all this leads up to just this. If MacArthur disobeyed a presidential order then it was Truman's ball, because under our present governmental setup Truman had the authority to issue the orders.

I have talked to a number of veterans who served under MacArthur in action and not one of them yet had words of praise for him. Personally I think he is too egotistically satisfied with his own self; and all the truly great men that I have met were thoughtful and humble at heart.

I remember one command that MacArthur obeyed with considerable alacrity, and that was when the late President Roosevelt ordered him to leave his poor buddies to face the appalling Bataan death march. If he had disobeyed that order I would have loved and respected him forever; but after all, his own pelt was at stake.

Now all of this present controversy is something that I am not smart enough to write about, but I do know this, that a nation in peril, to be successful, must be united in purpose.

In a fight to succeed you must pulverize the heart and brain of your enemy, not just nip and snarl around the waving tentacles.

I ASKED MR. BOYD, the county tax collector, what he was going to do when I had no money to pay my taxes with; and he said, "Sell your property."

Now this is not against Boyd, because he is a very good friend of mine, and he does his job well, but the question does come up; and to dish out the dough you have to have it.

Sues Berkeley In Injury Suit

Charging his young son, Steven, suffered a fractured skull and other injuries in a fall from a slide at the Berkeley Civic Center February 12, Norman H. Koch of Moraga is seeking damages from the city of Berkeley.

The suit asking \$25,000 damages and \$144.29 medical expenses for his son's injuries was presented to the Berkeley City Council last week.

How Do Schools Prepare for Jobs?

How well do Contra Costa high schools prepare students for jobs in industry and business? How can vocational education be improved?

The answer to these and other questions will be sought by a committee of 18, drawing membership from schools, industry, labor and business, as part of the Cooperative Study of educational services sponsored by school districts and the County Department of Education.

David C. Gray, principal of Richmond Union High School, is chairman of the vocational education committee, and Ray Turner, Walnut Creek painting contractor, is vice chairman.

The committee will begin its work by hearing reports on the relationship between high school scholastic records and performance on the job. The report will be made by Frank O. Wille, Jr., vocational instructor for Pittsburg Unified School District, at a meeting of the committee May 7 at 2:30 p.m. at the east campus of the Contra Costa Junior College, Martinez.

Service Clubs See H.S. Movie

The Walnut Creek and Orinda Lions and the Walnut Creek Soroptimist Club each held special showings last week of the "Acalanes Story," the new 16 mm. technicolor documentary on the growth of the high school district since 1945.

Reaction to the film and its depiction of the educational program offered and the general financing of the high school was generally favorable. Mort Brown, Walnut Creek business man, declared that he was genuinely impressed with the wide variety of educational experiences offered by today's modern high school. Vance Perry, secretary of the Walnut Creek Chamber of Commerce, encouraged the showing of the film to the other service organizations to help them get an accurate picture of the comprehensive training given at the high school.

Others who found the film "well done" and "informative" included Robert Meade of the County Department of Education, audio-visual director, Don Hunter of the Orinda Lions, and Herman Silverman, SUN publisher.

Work Begins On Red Cross Chapter Building

Work was begun this week in Walnut Creek on the new Red Cross building. The building which is to cost approximately \$22,500, is to be situated on a site in the City Park on property leased from the park at a nominal fee for 30 years.

Designed in keeping with the architectural style of other park buildings, it will be of pink pumice with a tile roof.

With 1900 square feet of floor space, it will have a reception room, a large meeting and class room, four offices and a small kitchen.

Plans for having their own chapter house started several years ago when Mrs. John Irving was chapter chairman. R. W. Rinehart has been building committee chairman since the first committee was named. He has worked long and faithfully until now, working with Edward M. Larmer, present chapter chairman, the building is to be started.

The Leech Memorial Committee is in charge of the landscaping, which will serve as a tribute to Dr. and Mrs. C. R. Leech, organizers and early workers in the first Red Cross Chapter chartered in Walnut Creek during the Spanish American War in 1898.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Beef Ceilings Go into Effect May 14

Retail ceiling prices for all standard cuts of beef—the highest prices California and Nevada butchers may charge housewives—go into effect May 14 and specify the price per pound of standardized cuts, ranging from porterhouse steaks to shanks and other beef products.

They are part of the Office of Price Stabilization beef control program which is expected to reduce the retail price of beef an average of 10 per cent by early autumn.

The program is contained in four regulations issued over the week-end. No. 23 reduced the price slaughterhouses may pay for live cattle; No. 24 fixed dollars and cents ceiling prices for wholesale cuts of practically all varieties of

beef and beef products; Nos. 25 and 26 did the same for retailers.

Meat products not covered by these regulations remain under the Ceiling Price Regulation which froze them at the highest price level between December 19, 1950, and January 26 of this year.

The retail beef regulations require butchers and other stores selling beef to post the OPS ceiling prices by June 4, near the counter where the meat is sold and in a position where housewives may read them without difficulty. They also require the retailers to list their selling prices alongside the OPS ceiling charts.

Do you realize how much it costs when you drive through the tunnel to shop?

Let us give you an estimate on building for you . . .

Camera Club Contest Winners Picked

The Contra Costa County Camera Club, which meets the second and fourth Tuesday evenings of the month at the Orinda Community Church, had its regular monthly print and color slide competition April 24. The judge was Frank Day of Oakland, who is well known among camera fans.

In the beginners' class the "Portrait of a Teenage Girl" won first place for Jerry Winfrey. Second and third place were also won by him for two other entries. Fourth place went to Ed Wallis and fifth to Con Lillegard.

In the advanced class, C. P. McVicker won first place with his pic-

ture of a fence with interesting lights and shadows on it. In this class Guy Spencer won second, third and fourth places. McVicker made fifth place with another entry.

In the salon division, Ben Randall won first place with his "City Alley," a study in black and white showing interesting sun and shadow patterns against a brick wall. Randall also received second and third awards for two other entries.

In color slides, Ben Randall won first place with his "Chromatic Yarn" and second place with another film. Third place went to a new member, A. F. Nelson, for his very fine ship scene.

Spring? Rain and Cold - Not Spring

Spring seems to have had a relapse or else it's just not going to live up to its taken-for-granted reputation. From April 19 through 25, we were hopeful. High temperature, recorded on the 23rd, was 69 degrees, and the low, April 23, was 40 degrees.

Only 12 inches of rainfall, too, and we Orindans settled down for approaching snoozes in the balmy Springtime weather.

Came the relapse!

From April 26 to May 2, the high reading was 63 degrees April 27, the low slid down a bit to a measly 38, both April 30 and May 2. Rainfall, in keeping with the thermometer, utterly disillusioned the warm and dry weather minded. The 1.50 inches, bringing the total to date for the weather year to 37.46 inches, nicely managed to spoil many an outdoor program and trip. No fair, no Spring!

Hudson Home Highly Rated at Exhibit

The Orinda home of Dr. and Mrs. Miles Hudson was one of those considered outstanding in the exhibit of the Eastbay Institute of Architects at Breuners, Oakland.

Unusual blending of the contemporary with traditional in designing a home adaptable to the needs of a large family is noteworthy in this work of architect Alvin Fingado, AIA, of Oakland.

Diamond K
Sez...

THIS WEEK AT Diamond K our cup runneth over!

Last Friday, the opening day of the Garden Show, Bill's wife presented him with a baby boy. Then, later in the day, it was announced that our commercial exhibit in the Garden Show had received the Highest Award for the single booth division. We would like to take this opportunity to thank those who contributed to the success of our display.

THE DISPLAY FEATURED a section of grape-stake and split rail fencing as the background with an adobe brick wall. Set in the corner was a small outdoor fireplace and planter box of used brick. This was set off with a patio of Arizona flagstone. This represented a small portion of the variety of material available at Diamond K.

It was gratifying to see so many of our customers at the show and we wish to thank those who stopped by to say hello.

Diamond K will be back with you next week with friendly hints for the garden and the home.

Bill Magrath

Get Sewers in Now, to Avoid Tearing Up Later!

Orinda Association's Board of Directors last week urged all property owners along Moraga Highway from the Crossroads to Glorietta Boulevard to have any necessary sewer construction work done immediately.

Reason for this, it was explained, was to have sewer work completed before the widening of Moraga Highway by the county really gets under way. Thus, tearing up of the road after the widening could be prevented, it was pointed out.

Service Station Burglarized by 2

Prying open the cash box, two men stole about \$10 from the Standard Oil service station at Orinda Crossroads early last Friday and escaped in an apparently stolen car, the sheriff's office reported.

The station attendant, Roger A. Price of Lafayette, said he was in back of the station when the burglary took place.

Dave Kurels of the Contra Costa Patrol chased the thieves in a hectic ride along Orinda Highway but was cut off by another car. Later the car in which the burglars had been riding was found abandoned in a ditch on Loma Vista.

Cubs to Play Moraga And Danville Teams

Orinda Cub Pack 52 will play Moraga Pack 57 in a league baseball game at Glorietta School tomorrow at 10 a.m.

Last Saturday's game with Danville Pack 36 was postponed to next Monday at 5 p.m., because of rain. Parents are asked to meet at Glorietta School at 4:30 Monday for the trip to Danville.

MacArthur Dismissal Debate Thursday Night

Orinda members of the Northern California World Affairs Council invite their friends to attend a public debate on MacArthur's dismissal at Garfield Junior High School auditorium, Rose and Grant Streets, Berkeley, next Thursday, 8 p.m.

The Administration policy will be upheld by Professor Robert Scalapino of the University of California. Professor Dr. Boris Bouscaren of the University of San Francisco will uphold the MacArthur point of view.

Orinda members of the World Affairs Council are Mr. and Mrs. Ernest Spiegl, Mr. and Mrs. Paul Ammen, Mr. and Mrs. George Vuruk and Mr. and Mrs. Ray Devin.

In Her New Home

Ruth V. Winfield has moved into her new home on Camino Don Miguel.

Lions to Select Officers, Hear F.B.I. Speaker

With election of officers slated for next Wednesday's Orinda Lions Club meeting, the balance of the program will be devoted to an "F.B.I. Night" theme.

Harry W. Kimball, special agent in charge of the F.B.I. in San Francisco, has arranged for Special Agent Dale I. Stoops to address Lions on the "Responsibilities of the F.B.I. in the Current Emergency."

Assigned to the San Francisco office since January, 1946, Stoops was formerly with the Milwaukee and Detroit bureaus. A member of the California State Bar and Bar Association of Washington, D. C., he is a graduate of Yale Law School.

George Curnley and Tom Pauli are handling arrangements for participation in the zone Lions Clubs "Ladies Night" to be held at Acapulco restaurant, Lafayette, May 19.

Also on the calendar is the annual Lions Golf Tournament to be held at Orinda Country Club May 17, 1 p.m. John Stoffel and Jack Cooper are event chairmen. This will be a "Blind Bogie" contest and the Lions Club perpetual cup will be awarded by President Don Hunter. Last year, 16 participated in the tourney which was won by John Stoffel. The chairmen hope to double the number of entries this year.

Installation of new officers will take place in mid-June, according to Kenneth Courtright, publicity chairman.

'Power' Topic Of Rev. Berven

"The greatest source of power on this earth is not atomic energy, might as it may be; the greatest source of power available to man is the Gospel of Jesus Christ, for the Gospel can give eternal life, and it can give this life to mortal man," declares Rev. Luther Berven of Our Savior's Lutheran Church in Lafayette.

On Sunday morning Pastor Berven will speak on the sermon topic, "Our Greatest Source of Power," using as his text, Romans 1:16 — "for I am not ashamed of the Gospel of Christ; for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."

Holy Communion will be celebrated at both the 8 and 10:45 a.m. services; the Sunday School will meet at 9:30 a.m.

The monthly Potluck Supper and Family Get-Together will be held Sunday at 5 p.m.

The Women of the Church will meet next Tuesday, 8 p.m.

Royal Bards to Sing Sunday at Mission Covenant

A group of 16 singers, The Royal Bards, of San Jose will be present at the Mission Covenant Church service in Lafayette Sunday night at 7. All who have heard them sing have praised them highly. They will also give short testimonies.

At the service last Sunday night the former pastor, Rev. Clifford Nixon, spoke and his wife brought the message in song.

Another feature of the evening service was a question drill on the life of the Apostle Paul. Five of the members of the Young People's Society competed against five of the adults of the church.

For nationally known brands at nationally established prices—shop right here at home.

Dr. Blakeman at Community Church

Sunday morning at Orinda Community Church the guest speaker will be the Rev. Dr. Edward C. Blakeman of Berkeley.

Presiding at the morning service, to begin at 11, will be the minister, Rev. Fred Morrow. Music for the worship will be given by the choir, directed by Margaret Popovich.

Dr. Blakeman came to the Department of Religious Education of the Pacific School of Religion from a distinguished position of leadership in the Methodist denomination, where his experience was outstanding in student religious work. At one time he served the Wesley Foundation on the Berkeley Campus.

In his address he will tell of the training at the Berkeley seminary in preparing students for three major church groups.

The school is receiving a small portion of its support from the Orinda church, and three of its trustees are Orinda residents. It is interdenominational.

Rites Held for Elizabeth Judge

Final rites for the mother of Mrs. Elizabeth Judge, Mrs. Susannah Beeman Duhem, were held Monday at the Chapel of the Chimes in Oakland. Mrs. Duhem died in Oakland last Saturday.

Surviving are her widower, Victor L. Duhem; a sister, Miss Sarah Beeman and a grandson, Richard W. Platt. She was a native of Michigan.

STORK CLUB....

NEW NEIGHBORS

New neighbors on Claremont Drive are Jeffrey Kendall Sawyer, first-born son of the Webb Sawyers of 24 Claremont, and Patricia Ann Perry, who arrived last week to make her home with the Hal Perrys, of 23 Claremont. Jeffrey was born at Permanente Hospital and Patricia at Merritt.

LARRY RAY WILLIAMSON
Born to Mr. and Mrs. Melvin E. Williamson of 69 Southwood Drive—a son, Larry Ray, on April 28 at Herrick Memorial Hospital, Berkeley. Larry Ray weighed five pounds, 10 ounces at birth. He has a brother, Billy, and a sister, Barbara.

SHOPPING AROUND with Nancy

IT'S A WISE PERSON who can combine business and pleasure these days! And you can do it this vacation by attending summer session at a foreign university. **WHITTEMORE TRAVEL SERVICE**, Walnut Creek, is prepared to give you information on study in Europe, Mexico, Cuba or Hawaii. You may take courses in English but have the advantages of low cost living, travel and recreation. Why not make this summer profitable as well as fun? Just call Whittemore Travel Service, W. C. 4414, for full details.

— WHITTEMORE TRAVEL SERVICE

FOR DATE TIME, DANCE TIME, OR ANYTIME, see the new flats by Prima that have just arrived at **SUTTON'S SHOE SHOPPE**, Lafayette. Ranging from \$5.95 to \$7.95, these leather flats are in styles including strap models and pumps, either dainty pastels for your ice cream shade summer frocks or in bold colors for bright contrast to your costume. Wonderfully wearable, Prima's will bring extra comfort to your feet and add extra eye appeal to your ensemble. Tuck several pairs in your suitcase for your vacation wardrobe, you'll love them!

— SUTTON'S SHOE SHOPPE

THE BASIS OF A BEAUTIFUL COSTUME is the proper foundation garment that enables your dress or suit to fit to its best advantage. **MARZEL'S**, Lafayette, has a complete selection of Warner's bras, girdles, and one-piece foundation garments, in half sizes or regular sizes; Sho-form bras, to size 52, at \$2.95 and \$3.95, and Love-e bras, in a complete size and style range. Each garment is expertly fitted to your individual proportions. It's Marzel's, too, for the beautiful panties and slips, either in nylon or crepe, to complete your wardrobe.

— MARZEL'S

THE LIGHT OF YOUR LIFE can be realized at Lafayette Furniture! Here you'll find all types of lamps—floor, table, student, boudoir, pin-up—to chase gloom out of every corner of your home. There are the ever-popular planter types, ceramic base lamps, brass, copper or novelty styles, each crafted to add a note of lightened charm to your rooms. If you're conservative, there are many with tailored shades from which to choose. If you prefer a gay, frilly shaded lamp, you'll find just what you want in the complete selection shown here.

— LAFAYETTE FURNITURE

YOU NEED ONLY GLANCE through your high-fashion magazines to note the importance of sheer fabrics in the summer style picture. **THE FABRIC CENTER**, Walnut Creek, has anticipated your home-sewing needs with its selection of wrinkle-resisting, washable sheer voiles, the Pukkersheer in prints and solid colors which is a summer favorite because it needs no ironing, and the very new bordered eyelet embroidered organdy, perfect for dressy frocks and formal. Patterns and all your sewing notions are ready for you here, with free parking available next door to the store.

— THE FABRIC CENTER

ADDED MUSIC PLEASURE WILL BE YOURS when you convert your present radio-phonograph to a three-speed record player. **CAMPANA'S MUSIC STUDIO** will modernize your present combination set by installing a three-speed automatic record changer, or will supply you with the unit which may be used as an auxiliary on any radio set, large or small. The Studio will give a trade-in allowance on your old record changer when you purchase your new one. Available, too, are long playing and 45 attachments to be placed on your present radio.

— CAMPANA'S MUSIC STUDIO

Chit and Chat about Don and Donna

By MARY THIES

Oh well—at least by the calendar it's Spring! By this remark, I voice the opinion of most Acalanes students.

Last week I mentioned the student talent show to be put on in the near future. Gordie Hooper who is in charge of the show has announced that he has signed up eleven acts with Naomi Pettengill playing the mirimba as one.

Although this is a very good beginning, Gordie is still on the look out for more talent. Come on you kids, remember—the more people there are, the longer the assembly will be.

A FEW WEEKS AGO, here at Acalanes, the Orinda Mother's Club gave a presentation of "Absurdia in Suburbia, II." This show ran for two nights, netting a large profit which will be used for projects for the Orinda and Glorietta Grammar schools. Seen at the Friday night performances were Renon Hagens, Ted Sanford, and Carol Jean Earle.

In the last issue of the Acalanes Blueprint, Bill Sparling was chosen as student of the week. Bill, a senior, is a member of the "Tan Suede Jacket League." Bill moved to Orinda at the beginning of this year from San Marino. His high school majors are English, Spanish, and girls. His latest activity is playing the harmonica in the talent show.

At a recent party given by Sven Groenings, many couples from Orinda were seen. Jayne Kirk was there with Sven and Margie Welch and Don Beardon, June Derry and Bob Westlund, and Anne Hawksworth with Tom Tilton.

THIS WEEK for my personal interview, I've chosen Richard Rogers who is running for Vice President. Richard came to Orinda from New York in 1947. A few of his many interests include sports, science, medicine, and music.

He works at Forrest's Band Instrument Repair in Berkeley part time during school and full time during the summer. He was President of his Freshman class and President of the Orinda Rifle Club. Richard also is on the Acalanes track team.

That's all for this week. Oh, by the way, remember the date—May 18th!

Now is the time for all good men to come to the aid of their Civilian Defense program—and the blood bank.

Children Feast in Fairyland

Carol Jean Thurston found Fairyland's Sugar Plum Tree a delightful place to celebrate her 6th birthday April 18.

Right after school Mrs. B. U. Thurston, Mrs. J. Morris, and Mrs. T. Hoyer gathered up Carol Jean's guests into their cars and drove them to "Fairy Land."

Here the refreshments, the main event of all parties, were served. There was a beautifully rose decorated birthday cake, and ice cream and punch, and each child had a lollipop off the sugar plum tree.

The birthday gifts were unwrapped and exclaimed over. During all this, entertainment was afforded by the three Billy goats in their home close by with its bridge of Billy goat Gruff fame. Until 5 o'clock the children wandered through Fairy Land, enjoying perhaps most of all the descent into the Blue Whale.

Carol Jean's guests were Roy, Roger and Joan Hoyer, Jay Jacobus, Judy Fuller, Laurie Hupp, David King, Terry Coleman, Cassandra Coates, Valerie Renwick, Patty Gillivan, Terry Morris, Emmy Grah and John Thurston.

Booklet Available

A revised edition of the official booklet containing descriptions of all United States stamps from the date of their introduction in 1847 to December 31, 1950, including plate numbers and quantities printed of commemorative and air-mail stamps, has been issued.

The new stamp booklet is being issued to the public through the office of the Superintendent of Documents at 60 cents per copy.

Orders should be addressed to: Superintendent of Documents, Government Printing Office, Washington 25, D. C.

Troop 200 Scouts Prepare for Summer

Troop 200 Boy Scouts, under the leadership of Dan Sheldon and Harry Noller, are polishing kits, cleaning blankets and patching tents in preparation for the summer camping season. The scouts are very happy to have Harry Noller, assistant scoutmaster, back on the job after his recent hospitalization.

Last week's meeting was set aside as Parents Night. A Court of Honor was held, and the following boys received advancement: Second Class Scouts—Harry Noller, Jr., and Ed Gathings; First Class Scouts—Bob Johnson, Bob Long, John Winrod, Robin Muse, John Hall, George Harrison; Life Scout—Hugh Haskell.

To try out the weather on Mount Diablo for the current season, to test its trails and camping conditions, the following troop of "Green Bars" under the guidance of Dan Sheldon went out for a weekend: Douglas Krotz, Bob Johnson, John Winrod, Hugh Haskell and John Hall. Mr. Sheldon supplied the bacon for the trip but it has not yet been decided who was the best cook. There is no argument as to the winner of the most blisters—John Hall.

For the Parents Night, Seals Patrol, under the leadership of Bob Johnson handled the decoration of the Scout Hut. Robin Mues, with the Panther Patrol was in charge of arrangements. Douglas Krotz and

his Flying Eagles were in charge of refreshments.

The new Owl Patrol, sleepers until their recent organization, are Joe Sheaff, Philip Branch, Arne Groennings, Jeff Rankin, Peter Brooks, Mac Udall and David Lee. The Scout Camporette will be held at Curry Creek tomorrow and Saturday. The Camporette furnishes preparatory training for the Camporee at Richmond later in May, and for Camp Wolfboro in the High Sierra for two weeks this summer.

John Winrod is senior patrol leader for Troop 200, and Hugh Haskell, Jr., is junior assistant scoutmaster.

The senior officers of Troop 200 are Donald P. Krotz, chairman; Walter S. Nicklas, vice chairman; Louis B. Ambler, secretary; Charles B. Coburn, treasurer; Jack Hart, advancement chairman; Alfred Johnson, transportation chairman; Kenwood S. Hauter, activity chairman, and J. Allara, assistant activity chairman.

Mrs. Maloney's Grandmother Dies

Mrs. Gesine F. Claudia of Berkeley, grandmother of Mrs. Richard Maloney of Orinda, died in an Oakland rest home Saturday. Funeral services were held at The Little Chapel of the Flowers, Berkeley, early this week.

Mrs. Claudia, a native of Germany, was 92 years old.

She was the widow of the late Peter Claudius; mother of Mrs. Raymond W. Jeans of Berkeley, Charles Claudius of San Francisco and Harold Claudius of Piedmont.

Other survivors include Mrs. Waldron A. Gregory of Menlo Park, Miss Priscilla Claudius of Piedmont and Peter Claudius of San Francisco, who are her grandchildren, and two great-grandchildren.

Christian Science

Sermon on Sunday

This Sunday, May 13, the services in all Christian Science churches will include a Lesson-Sermon on the subject, "Adam and Fallen Man," to be read from the Bible and the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The Bible citations will include the following verses from the first chapter of Genesis: "In the beginning God created the heaven and the earth. And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. And God saw everything that he had made, and, behold, it was very good" (1, 26, 31. (to 1st)).

Science and Health: "The reader will naturally ask if there is nothing more about creation in the book of Genesis. Indeed there is, but the continued account is mortal and material. . . . The history of error or matter, if veritable, would set aside the omnipotence of Spirit; but it is the false history in contradiction to the true" (p. 521).

Raymond Ickes Triple Winner In Rifle Match

Raymond W. Ickes of Orinda was a triple winner in the annual North-South .30 calibre rifle matches held at Camp Hunter Liggett near King City last Sunday.

Competing against over 70 of the state's crack shots, Ickes won three first places, including the individual championship, the aggregate of the entire day's shooting, with a score of 239 out of a possible 250.

The matches consisted of slow and rapid-fire at distances ranging from 200 to 1,000 yards. In addition to winning the aggregate, Ickes shot a score of 97 out of a possible 100 to win the Long-Range Trophy, fired at 600 and 1,000 yards, as well as a score of 47 out of a possible 50 to capture the 1,000-yard match.

Will you be killed tomorrow? Drive very carefully.

I'm Frank ...

and this week I wish I were someone else — anyone — just someone else. All week I've been working on "the thing," and is it a mess!

For those of you who aren't in business "the thing" is Office of Price Stabilization Regulation No. 7. No matter what the song writer had in mind when he wrote "the thing," it certainly couldn't be as bad as Regulation No. 7.

MIKE HARDY, the sugar daddy of El Verano, waltzed up to the counter last weekend with one of those long-handled grass shears. You know, the no-stoop, no-bend type that we sell down here for \$3.25. Mike has been very helpful in the past, and now he said he was going to let me in on a little deal that would make millions (millions of what, I "dunno").

"After the summer months," said Mike "and the grass isn't getting any greener, what do you do with these sturdy, long-handled grass shears?"

"Why, I pack them in moth balls until next year," I told him.

You could see Mike's face light up like a juke-box, as he proceeded to tell me that, if I painted these shears "boudoir pink" I could sell them during the winter months as toe nail clippers.

"Just think of it," he purred, "toe nail clippers that you won't have to bend over to use. Why, you'll be able to see your toe nails as others see them and be able to give them that type of manicuring that they deserve."

It did sound like a pretty good idea, and especially for me, who was having a tough time even seeing his toe nails, let alone being able to bend over to primp them. Well, Mike insisted that he receive a royalty on all the shears we sold this way, and then went home to

Shirley Temple In Kids' Show

Teatro para Ninos presents "Little Miss Broadway," starring the ever-popular Shirley Temple, tomorrow. Remember—from 1 until 3 p. m. every Saturday at the Orinda School auditorium for a good children's show.

Mothers Club Committee Meets

The nominating committee of the Orinda Mothers Club met Tuesday. It has prepared a slate of suggested officers for the new year. These will be presented to the Mothers Club at its next regular meeting on May 15, at which time further nominations will be accepted from the members.

The nominating committee consists of Helen Stark, chairman, and Ruth Henry, Jean Ellermeier, Betty DeWolf and Lid Miles.

relax after such heavy thinking.

Grass cutters are grass cutters and toe nails cutters are toe nail cutters, and I'm not going to put Frank Delos out of business by selling these super jobs, so, if you need a grass cutter, we've got 'em at Orinda Hardware — short ones, long ones, thin ones, fat ones, mechanical ones, fancy ones and just plain grass cutters.

EVERYTHING THESE DAYS has to be described by atomic something or other, or super this or that, or even super duper. Well, not to be left behind in the race for extra special, colossal items, and so as not to let anyone out, "super duper Frank" has just added to our already very complete line of paints, the very well-known "Super-Kemtone."

We have always sold just plain Kemtone, the popular water paint, and, in keeping with our policy of trying to have for sale all of the items that our customers request, we have added "Super Kemtone" and "Kem Glo."

Many people in Orinda have already used this new type rubber base paint and have been thrilled by the fact that it is so easy to apply.

Harry Oliphant, here in Orinda, told me one day that, besides being so easy to put on, it covered in one coat better than any other paint he had ever used. There are many beautiful colors to choose from, and I'd suggest that you consider Super Kemtone when you plan to paint again.

Gosh! I guess I'd better get back to "the thing." Now, let's see, who am I — oh, yes ...

Your Garden

Cut Flower Garden and Have It, Too; In Fact, Annuals Need That Treatment

By BERT WRIGHT

WITH THE MAY Merry-Go-Round of spring flower planting starting to revolve at full speed, it might be well to put in a few words something about flower fashions for this month.

In California, where all-year flower gardens are permissible due to milder climate, people are becoming more and more flower conscious as time passes.

Many home owners are not prepared to completely landscape their home grounds now and of course must depend heavily on quick color for the coming outdoor days directly ahead.

YOU CAN CUT your garden and have it, too.

You do the trick with annuals. All you need is some fairly decent soil, sunlight and patience, and a few dollars' worth of plants — and a **GOOD IDEA**.

This is where you can create your new flower fashions with the same old varieties as well as the new.

ANNUALS are the only flowering plants that as a group not only thrive on having their blossoms cut, but require it for development as good garden performers.

Chief objective of a healthy annual plant is to go to seed. This dissolute ambition is not so unfortunate as it sounds when you consider that to make seed, annuals must first make flowers. And if you re-

move the flowers before the seed setting stage is reached, the persevering plant will make still more flowers.

In general, these plants have single-track minds and will keep on trying till frost cuts them down for good. So, in a way, cutting your garden and having it, too, is no trick at all.

HERE IS a 20 by four-foot garden border that will bloom from July to frost and has been fashioned for this area.

In the front row plant Ageratum, four to six inches, pale blue, along with Petunias, Canadian All Doubles, 10 to 12 inches; dwarf marigold, 8 inches; dwarf pom-pom zinnias, 15 inches; alyssum violet queen, six to eight inches (blooms in six weeks after seeding), phlox drummondii, 10 inches.

Second row consists of medium height flowers. Asters (deep blue), 12 inches; snapdragon, white, 30 inches; gaillardia pinwheel, wine red with silver-tipped petals, 18 inches; cynoglossum (Chinese forget-me-not), 24 inches, white and blue; calendula (yellow), 15 to 18 inches; scabiosa "Peace", ivory white, 18 to 20 inches; marigold supreme, 24 to 30 inches, yellow.

In the third and last row, the taller varieties. Cleome (Pink Queen), 15 to 18 inches; helianthus (sunflower), 5 feet, yellow; zinnia (giant dahlia flowering), three feet, white; larkspur (giant imperial blue) three and a half feet; larkspur (giant red), three and a half feet; nicotiana (affinis) four feet, white; cosmos (giant sensation), crimson, four feet.

YOUR FRONT ROW should appear blue, pink, yellow, maroon, violet, salmon.

Row No. 2 — Blue, white, wine red, blue, rose pink, white, yellow.

Row No. 3 — Pink, yellow, white, blue, red, crimson.

Thus your garden has been fashioned. Originality bows to set rules, and your chosen colors will depend on individual taste.

MANY PEOPLE will pick flowers to match their own personality, just as they pick their friends.

ORNU GRASS SEED

FOR LOVELY LAWNS

ORNU Is Specially Mixed for Central Contra Costa

ORNU SUPERIOR

The same as ORNU Supreme with the addition of a more rugged grass. This is a fast growing grass that germinates in a very few days, and acts as a nurse crop for the other slower germinating grasses. It is perhaps the most popular mixture for this area for a front lawn. Easy to grow and maintain.

ORNU SUPREME

ORNU Supreme is made up of a mixture of Kentucky Blue, Chewings Fescue and Astoria Bent grasses. It is the finest mixture available for this area at any price.

ORNU SPECIAL PARK

This mixture incorporates beauty of ORNU Superior with added ruggedness obtained by a small percentage of perennial rye and other hardy grasses. It has a beautiful thick springy carpet that will retain its beauty year after year.

Varied Sport Seasons Near Climax for Dons

The Acalanes sports scene continues to be a busy and active one as seasons draw near a close and championships appear in the offing. Tennis appears to be a cinch in having defeated all county teams with ease to date and no one expected to come too close in the county meet scheduled to be held tomorrow at the Diablo courts.

Track wound up its dual meet season undefeated and was favorite to win the county meet held at Acalanes yesterday.

The next track meet involving Acalanes is the North Coast Section

meet on Saturday, May 12, at Richmond.

NEXT MONDAY finds the swimmers matching speed and skill at Concord with Mt. Diablo and the Cal Frosh in the Diablo High pool. Diablo promises little trouble on the basis of performance to date, and the Cal Frosh will no doubt end up in the number one spot.

Next Wednesday the Varsity Baseball Reserves meet up with the Diablo Reserves at Concord, with the game rated a toss-up.

MUCH DEPENDS on how Sophomore Chucker Rick Johnson's right

elbow responds to treatment after having been injured by a pitched ball in last week's game with El Cerrito.

The Junior Varsity baseballers entertain San Ramon in a return engagement on the local diamond and are favored to repeat an earlier win over the Danville nine.

The tennis team travels to Albany the same day (next Wednesday) and appears to have too much strength for the newest member of the County League, where the road is proving to be anything but a paved one as far as Albany is concerned.

GOLF PLAYS HOST to the county schools next Friday, May 11, and on the basis of past records the Dons reign favorites to put another championship trophy in the case.

The Varsity baseball team will be going all out next Friday, May 11, to register a win when it meets up with an Alhambra nine on the Acalanes diamond.

THE SWIMMERS are set to paddle their way to precious points in the North Coast Section meet set for Saturday, May 12, at the Stanford pool.

Competition will be keen, with Berkeley High and Palo Alto rated as favorites.

THE DONS have a number of up-and-coming performers and could end up in the number three spot, and with a break or two could end up even higher.

Also on Saturday, May 12, the Don racquet wielders take a trip to Berkeley, where they will toss their hat in the ring as far as North Coast honors are concerned.

Entries in the meet will depend on the outcome of the county matches at the Mt. Diablo courts tomorrow.

Sideline Slants

Colored Movies Record County Track Meet, Culmination of League Season

By ERWIN MATTSON

The Acalanes track team played host to the Contra Costa League yesterday's classification make it easier to qualify than previously.

An annual affair, this meet culminates the season as far as the county league is concerned, although a consolation meet is in the offing next week, which eliminates any track man taking a first, second or third in the meet held yesterday.

Next week's meet is aimed at giving boys a chance to win top spots in a contest all their own, and generally gives a good preview of things to come, as far as next year's prospects are concerned.

YESTERDAY'S MEET was recorded in colored movies, which will be a feature of the Fathers and Sons Banquet, a tradition at Acalanes.

Funds for the picture were raised by a track meet between the faculty and students last Monday noon.

At this writing it is not known which team won yesterday's meet, or what, if any, records were broken.

In the Bee meet each mark is actually a new one, however, as the classification system was changed.

Previous marks are officially standing on the books, though, until bettered, as the powers that be felt that the new regulations regarding classification make it easier to qualify than previously.

Gauchos Flatten Don Varsity Nine

El Cerrito's Gauchos put on a four-run first inning rally with two away, and it proved to be more than enough.

The Dons were able to shut them out the rest of the way but could score but once themselves.

The game was played at the El Cerrito diamond last Friday afternoon.

BOBBY WESTLUND started on the mound for the Dons and appeared well on his way as he retired the first two batters on a strikeout and a pop-up to first baseman Bob Fox.

It was at this point that Pumpsie Green hit one to deep right for a circuit clout, and the next four batters hit singles.

When the dust had cleared, four runs had crossed the plate.

The side was retired when Pitcher Frank Bloglio went down swinging.

Westlund had things well in hand from there on out until Big Bob Borghesani took over in the fourth to blank the opposition for the final three innings.

THE DONS' single tally came in the sixth when Bob Winkench smashed a booming triple to right field and came home on a fielder's choice.

The Dons had the bases loaded in the fifth and seventh but couldn't hit when it would have counted most.

Reserves Swallow 9 to 3 Whipping From El Cerrito

Acalanes' reserve baseball team met a Tartar in El Cerrito High last Friday afternoon and came out on the short end of a 9-3 count.

The game was played at Acalanes Field.

THE VISITORS pounced on starter Sammy Indelicato for three runs in the first inning, with Rick Johnson finally coming in to put out the fire with the bases loaded and none away.

Rick allowed one run when Ray Morris hit a fly to center and Rex Beach tagged up and came home on the throw.

RICK THEN proceeded to retire the next two batters via the strikeout route.

El Cerrito scored a run in the second, fourth and sixth innings and tallied twice in the seventh.

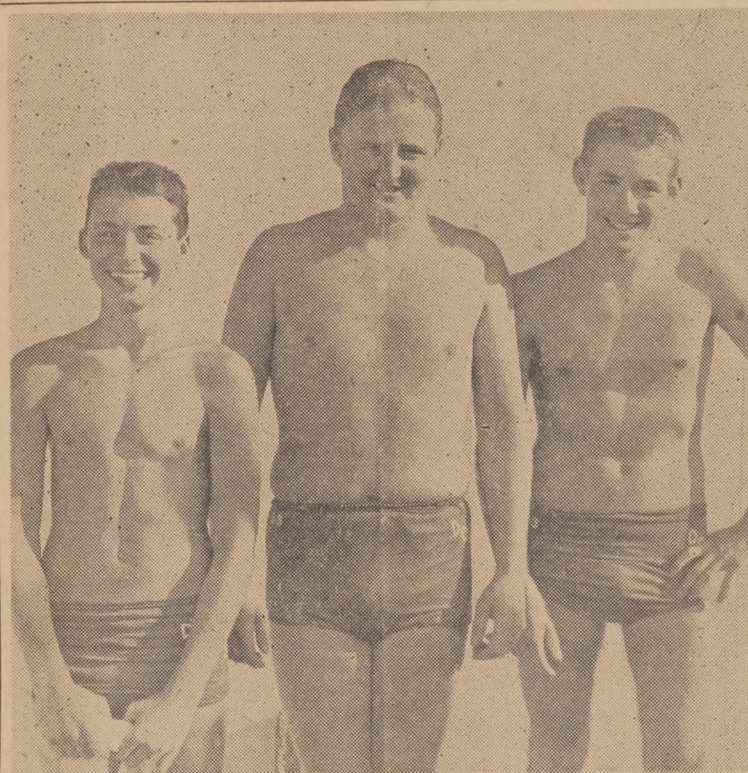

THE DONS scored twice in the second when Alan Ruff hit a double, Ray Fortado singled and Gary Graves drove them home with another single.

The only other tally came in the seventh when Graves singled and scrambled home when Burt Ferro hit to right field.

WESTERN PARADE

More than 50 mounted groups, floats and marching units are entered in a western parade set for 10 a.m. May 19 in Hayward as a highlight of Western Week, May 14 to 20, sponsored by Hayward's 20-30 Club.

SPORTS

ALL WET—and proud of it, too, as are their enthusiastic fans at Acalanes—are Don mermen Bob Harrison (left), Brooks DeLaneaux (center) and Kim Wilkin. They're three good reasons why the Don swimmers have been outsplashing and outdistancing their rivals.

—Acalanes Blueprint photo

Don Mermen Outsplash Modesto In Varsity, Bee Swimming Meets

Mermen of Acalanes repeated their performance of two weeks ago when they took the measure of Modesto in the Varsity and Bee competition in the Don pool Monday afternoon.

The Varsity count was 39-35, while the Bees "floated in" 44-19.

A NEW school record was set in the 75-yard individual medley when Kim Wilkin stopped the watches at :54.8.

Dick Hubach copped the 200-yard free style event in 2:15.4 and led the way in the 150-yard individual medley at 1:55.8, to take scoring honors with a 10-point total.

IN THE BEES, Bob Harrison

garnered 10 points and top scoring on the basis of a win in the 50-yard free style event with a time of :28.4 and a 1:03.1 in the 100-yard free style event.

Carl Newbury to Show Slides on South America

Next week Carl Newbury will discuss and show slides on South America.

Several other classes sponsored by the Acalanes Adult School are still open. Inquiry can be made by phoning the high school, Walnut Creek 6707, Monday through Thursday evenings 7:30 to 10 p.m.

Don Thin-Clads Whiz Right by El Cerrito Lads

Coach Charles Eaton's and Coach Bob Lord's Varsity and Bee teams, respectively, remained in the undefeated column in dual competition when the Varsity massacred El Cerrito High 80½ to 30½ while the Bees ran up 67½ points to their opponents' 36½ Thursday afternoon of last week.

It was Acalanes all the way, with the issue never in doubt as Jerry Coad and Bob Wickman placed one-two in the high hurdles.

ONE HIGHLIGHT for El Cerrito was the fast time set in the half-mile by Charles when he raced to a fast 2:02.3, which set a new meet record.

The only other win for El Cerrito came when Jack Whitehurst made a leap of 5 feet, 11 inches in the high jump.

Cort Bacon ran out in front all by himself in the four-lap event, better known as the mile.

DARRELL CROSSMAN was a double winner with a 10.8-second and a 220-yard dash win of 23.8; in addition he ran on the winning relay team to climax a most successful afternoon.

In the Bee events Alvin Culp ended up with 14-1/4 points as the result of a 15.2 win in the low hurdles and a high jump of 5 feet, 5 inches, both of which resulted in first places.

A **SECOND** in the 330-yard run and a spot on the winning relay team accounted for the other points.

John Hansard with 14-1/4 tied Culp for high point honors when he took a first in the 75-yard dash at 8.4 and came back to win in the broad jump as well as a place on the winning relayteam.

NAVY ENGINEER AIDES

Opportunities for placement in Naval research laboratories in California are offered to persons who have had training or experience of a sub-professional level in engineering or one of the physical sciences, according to the Board of U. S. Civil Service Examiners for Scientists and Engineers, Navy Department, 1030 East Green Street, Pasadena 1, California.

Board Considers El Portal Site For J.C. Campus

The Board of Trustees of the Contra Costa Junior College District, after spending several weeks reviewing potential sites for the permanent West Campus, has indicated that it is definitely interested in acquiring a section of the El Portal site in San Pablo from the Public Housing Administration.

This fact came out at a meeting of the trustees in Martinez. At an earlier meeting the board had shown an interest in obtaining some 50-60 acres of El Portal, but delayed final action so that other sites in western Contra Costa County would be reviewed.

Set Sessions For Day Camp

Day Camp for the Diablo Valley Area Girl Scouts will be held again this year on Mt. Diablo. The sessions have been set for the following dates:

Intermediate Scouts, June 18 through June 22; Brownies, June 25 through 29; Intermediate scouts, July 9 through 13; Brownie, July 12 through July 20; Intermediate, July 23 through 27; Brownie, July 30 to August 3.

Mrs. Leah Squires, Chairman of the Day Camp Committee states that additional mothers are needed to assist with both Brownie and Intermediate sessions. The Committee is also looking for a volunteer to care for the children of mothers who go to camp.

Training dates for day camp staff are: May 8, 9:30 a.m. to 1:30 p.m. and May 10, 9:30 a.m. to 1:30 p.m. to be held at the Walnut Creek City Park. An "on site" training will be held on May 14 from 9 a.m. to 3 p.m.

Anyone interested in working with the girls may secure further information from Mrs. Squires, Concord 3396, or the Scout Office, Lafayette 4414.

Exam Announced For Military, Naval Academies

Congressman George P. Miller announces today that he will select candidates for appointment to the U. S. Military and Naval Academies through a competitive examination.

The examination will be held July 2. Young men, residents of the Sixth Congressional District, desiring to take this qualifying examination should contact Congressman Miller not later than May 21 at 506 House Office Building, Washington, D. C.

Orchard Nursery Wins Four Prizes At Garden Show

Orchard Nursery added to its past history of outstanding awards in the California Spring Garden Show by winning three blue ribbons and one special award for design this year.

An outstanding feature of its main exhibit, which portrayed a complete outdoor living area, was a dry wall of Sonoma washed creek rock, overhung by azaleas in full bloom. The foreground was set off by a solid planting of blue violas interspersed with pink tulips and brilliant yellow "Blazing Gold" chrysanthemum.

Large azaleas in redwood planting boxes flanked either side of the veranda, while tuberous begonias in hanging baskets cascaded from above. A restful effect was attained by the slow trickle of water into a unique bowl-like fountain 12 feet in diameter.

In the main exposition building, adjacent to the central waterfall, its African violet exhibit included many new and rare varieties, also winning a blue ribbon award. Ernest Wertheim, landscape architect, supervised the design of the outdoor exhibits, having handled Orchard's participation in previous garden shows and at the State Fair in Sacramento.

Constance Hansen of Lafayette was in charge of the African Violet exhibit.

Will you be killed tomorrow? Drive very carefully.

St. Mary's Alumnae To Hear 'Great Debate'

The question that precipitated the "great debate" in the halls of Congress — "What is our first line of defense?" — will be argued before 2000 St. Mary's College alumni as a feature of the annual Homecoming Day program on Sunday.

The national issue will be the topic of this year's traditional William R. Lowery educational hour, Thomas F. Joyce of Oakland, general chairman of the Homecoming program, announced today.

Four distinguished speakers will argue the question, including two University of California faculty members who are also speakers for the World Affairs Council of Northern California — Covey T. Oliver, professor of law, and Carl Landauer, professor of economics.

The two other speakers will be Benjamin A. Frankel, instructor in history at St. Mary's, and Leo T. Engle, deputy district attorney of San Mateo County and a St. Mary's alumnus.

Shop at home — and save.

St. Mary's Senior Ball

More than 200 attended the St. Mary's College senior ball at Diablo Country Club last Saturday night. Richard Bertain, class president, was chairman of the affair. Norman Piner and Alfred Soulaiges serving as his assistants.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

May 18 Exhibit Of Art Set for Orinda Children

Orinda Children's Art Center will conclude its second year of activity with an exhibit of the students' work at the residence of Mrs. T. M. Harter, Seven Oaks Circle, on May 18, 3 to 8 p.m. On May 17, 8 p.m., a preview will be held for the sponsors of the art group.

Under the able instruction of Mrs. Jack Fraser, the class has had experience with poster paint, water colors, pen and ink and oils. Field trips have been taken at intervals during the year. Last of these was a trip to the Legion of Honor to see the works of the French impressionist, Toulouse Lautrec.

Tickets to the exhibit on May 18 are available to the public. They are to be sold by the young artists for 50c each.

The exhibit is the only money-raising project of the year, and the funds are used for supplies.

Tickets may also be obtained from Mrs. Kenneth St. Clair, ticket chairman for the affair.

Loseys Hosts to China Tiffin Club

The home of Dr. and Mrs. O. I. Losey on Lombardy Lane was the setting recently for a buffet luncheon honoring executive members of the China Tiffin Club of San Francisco and the Bay Area. This group is comprised of Occidentals who have resided in the Far East, among whom, be he merchant, missionary, secretary, diplomat, soldier or sailor, exists a camaraderie of a delightful nature.

The guests, many from San Francisco, expressed themselves as charmed with the Orinda countryside, as well as the air of rural hospitality carried out by their hosts in the theme of the table appointments.

Featured as a centerpiece was a huge basket of fresh vegetables. Delicious hot foods were in provincial clay casseroles, and wooden bowls held salads and relishes, attractively laid on heavy textured brown paper tablecloth.

Originally planned to be "al fresco," the day turned colder, so luncheon was enjoyed in front of a blazing fire in the huge adobe fireplace. As a pleasing finale, little Frances Kyle, a pupil of the Lila Murphy Studio, executed an Indian dance in the modern manner, captivating all present.

Attending were Professor and Mrs. George R. Bartlett, Paul Chatham, Jr., General Philip Faymonville, Major and Mrs. Fred Varney, Mrs. Camille Johnson Ehrenfeld, Commander and Mrs. John H. Falge, Commander and Mrs. Neil H. Geisenhoff, Mr. and Mrs. Clarence Cummings, Mr. and Mrs. Alexander Nowell, Mrs. Anna M. Collins, Miss Virginia Fox, Mrs. Mercy Kyle and Miss Frances Kyle.

Forty Shipmates Become Epicures

Last Friday evening some 40 Orindans banded together for the Shipmates' monthly session and became epicures.

The younger couples' club of the Orinda Community Church enjoyed a progressive dinner of four delicious courses. Mrs. Kenneth Swift ably coordinated the arrangements with the four hosts and hostesses, Mollie and Chuck Blue, Millie and Fred Twining, Sandie and Alfred Buxton and Dorothy and Ed Turk. During the final course a bit of "Absurdia" was reproduced when Jessie Swift, Marian Brown and Mollie Nelson sang "Nobody's Chasing Me." And versatile Bob Brown took over at the piano for the rest of the evening.

Members attending were Ann and Ray Currie, Martha and Lee Atkins, Ann and Dick Copenhagen, Peggy and Joe Creighton, Ruth and Art Henry, Marian and Bob Brown, Millie and Fred Twining, Ruth and Wilbur Twining, Dorothy and Ed Turk, Mollie and Chuck Blue, Emma Usinger, Lucile and Ralph Phelps, Barbara and Wilson Cline, Barbara and Elbert Wayne, Jessie and Ken Swift, Sandie and Al Buxton and Peggy and Harvey Wehmeyer.

Guests were the Bob Wrights, the Bill Harshas, the Walter Swedbergs, the Charles Nelsons and the Frank Van Giluwe.

Will you be killed tomorrow? Drive very carefully.

Pets, Pals Group Sets Dance Date

The Pets and Pals organization has chosen Sunday, the first day of "Be Kind to Animals" week, as the date for a brunch-dansant at Orinda Willows. Members, their husbands and guests will be served silver fizzies at 11:30 a.m., with breakfast-luncheon at 12:30 and an afternoon of dancing. A fashion show is also on the agenda.

GI Orders Change; Wedding Set Today

With arrangements all made for his wedding to Joseph (Josie) Hammill last Sunday at St. Clement's Episcopal Church in Berkeley, Victor Beauchamp, Jr., found that army orders take precedence over personal plans.

Scheduled to finish his basic training at Fort Ord last Saturday, Beauchamp was told the day before that there had been an alteration in orders.

After a hurried flurry of telephone calls and re-making arrangements, the engaged pair made plans to be married at 8 o'clock tonight at the church they had originally chosen.

Miss Hammill is the daughter of Matthew Leon Hammill of Montana. The benedict-elect is the son of Mr. and Mrs. Victor P. Beauchamp of Davis Road.

Review of Humorous Book Enjoyed by Guild Section Women

Section 1 of the Women's Guild met last week at the home of Mrs. Murray Groves. Co-hostesses were Mrs. Ben Randall and Mrs. G. Chester Brown.

After the serving of dessert the meeting was opened, with Mrs. Lance Barden, chairman, presiding. The devotions included a paper on "The Women of the Bible" by Mrs. Brown.

Mrs. William Mordy introduced the guest speaker, Mrs. Ernest Jackson of Berkeley and Orinda, who gave a review of the book by Mrs. A. Dodge titled "2,000 Leagues Behind the Eight Ball."

This is a humorous account of another of Mrs. Dodge's famous trips with her husband and two children to find the perfect place. The family travels across Brazil, suffering the tortures as well as the delights of the Amazon country, then on to Montevideo, which they really enjoyed, through Argentina to Buenos Aires, and then on to Valparaiso, Chile.

Then they left in an Italian boat, which she recommended, for France.

The group thoroughly enjoyed this story.

12-15 Club Members Make Slippers for Hospitalized Vets

The 12-15 Club met last week at the home of Mrs. James Sullivan. Guests were Mrs. Forrest West Smith, sister of Mrs. Sullivan, and Mrs. Mable Donaldson, a former member, both of Berkeley.

All worked very hard on the carpet slippers for veteran hospital patients. They hope to make 20 pair by fall, when work on layettes for Booth Memorial Hospital will be resumed.

Next Tuesday's meeting will be at the home of Mrs. C. Maline.

Settled in New Home

John H. McCarthy has occupied a new home at 17 Camino Lenada in Orinda.

Hilltop Branch Meets at Club

Clothes made by members were featured in the summer styles parade held at Orinda Country Club Tuesday by Hilltop Branch of the Children's Hospital of the East Bay.

Dessert was served and then the youngsters who modeled began their part in the fashion program. Matron and miss styles were also shown.

Members on the arrangements committee were Mesdames George Muller, Theodore Ingham, Calvin Hagstrom, John Erickson, J. Carson Magill, William Penney, Harry Martin, Marjorie McKee and Clyde Paxton, commentator.

Mothers Plan Show for Soldiers

The Orinda High School Mothers Club is sponsoring an evening's entertainment for the convalescent soldiers next Thursday evening at 7:30 at Camp Stoneman.

Arrangements have been made through Miss Callaghan, the Red Cross worker at Camp Stoneman.

Fred Udall will be master of ceremonies. The first number will be barbershop quartet, performed by Monte Murphy, Wes Hill, Dick Agster and Iver Jacobsen.

Second number will be a modern

Social and Clubs

Mrs. Greenwood Heads Junior Chamber Group

Mrs. John C. Greenwood of Orinda heads the committee of Berkeley Junior Chamber of Commerce which is sponsoring the sixth annual Football Festival of the merchant organization.

This is the first time in the organization's history that a committee of wives has been appointed to help with the September festival and other civic undertakings.

Mrs. Greenwood, a past president of the Jaycees, was named "young man of the year" recently.

Women's Guild Raising Funds for New Kitchen

The Women's Guild and its four sections, two meeting in the afternoon and two in the evening, all have programs that are inspirational, informative or interesting, and often all three, but they are also hard working groups putting on lunch parties and food sales for the benefit of the "kitchen" fund.

This fund is not only helping in the building of the new kitchen at Orinda Community Church but also in the installation of modern equipment, which means a large range, refrigerator, coffee urn, dishwasher, more dishes and pots and more cupboards.

This kitchen and the enlarged hall, the present church meeting room, will serve not only the church interests but also those of the community and various organizations which will want to use them.

The Guild is pushing the sale of "Orinda Roads," the 50-cent booklet which tells the story of how Orinda got its name and contains an alphabetical list of all the Spanish-named roads with their meaning, and picture-illustrated maps by Marjorie Korn of Sacramento.

Old Orinda and the new developments in Sleepy Hollow and in the Orchard Road and Glorietta districts are shown. Newcomers to Orinda should especially be interested in this booklet, which can be purchased from a Guild member or by phoning Mrs. G. Chester Brown, Orinda 5871.

Mrs. McCarter Models

Mrs. Robert McCarter of Orinda is among Alpha Omicron Pi alumnae who modeled at the California Spring Garden Show. Members of the student chapter have also paraded beautiful styles in conjunction with the "Outdoor Living" garden displays.

KIP FARRINGTON celebrated his sixth birthday on April 11. He and his friends got together in the morning to play games and have fun, this was followed by a picnic lunch, and then off to kindergarten for the afternoon. The guests were: Bobby Eberlin, Scotty Huntly, Teddy Howard, Robby Spott, Bobbie Blue, Ricky Oltman, Laurie Brown, Barbara Lietz, David King and Paulene Kingham.

Going Up! Net Absurdia Returns Now Reach \$1300

Net returns for "Absurdia in Suburbia II," the Mothers' Club fund raising variety show, have now reached \$1,300 and Orindans are justly proud of what they can do and support.

Lots of work and cooperation were necessary to make this production so successful, but it was lots of fun, too.

Now there will be a second projector and slide machine which were sorely needed for the visual aid program, and also the two libraries will be able to add \$50 or more worth of books each month for the coming year to their shelves.

'Cruise' by Seafarers

Last Friday evening the cruise of the Seafarers took them to the always hospitable port of the E. T. Meakins.

What was lacking in numbers was more than made up for by the sociable and jolly mood of all present. Games for which a number of prizes were given followed the luscious strawberry shortcake, coffee and candy dessert.

Motion pictures wound up the evening's entertainment.

Happy Birthday to You

GINGER KETSDEVER had two parties to celebrate her seventh birthday. The first was held on April 11 when the children went to Fairyland for refreshments and fun. Those going included: Betsy Ann Kilbourn, Mary Baker, Bonnie Styles, Padgett Gathings, Linda Sears, Carolyn Coburn, Dicke Volmer, Denny Lucas, Janet Lucas, Judy Lucas and Ginger's daddy and grandfather. On April 14 Ginger entertained for a buffet lunch followed by games. Her guests were: Nancy Mott, Judy Wilder, Peter Wilder, Peter Yedidia, Michael Yedidia, Neljean Hergot and Carol Ketsdever.

KIT RENWICK was three years old and had a bang-up party April 14. A big horse bedecked with flowers was the centerpiece, and little horses nibbled hay from the tops of candy baskets. The guests included: Susan Ketcham, Jeanne Patton, Susan Kendall, Christine Block, Judy Murphy, Jo Murphy and Valerie Renwick.

SUSAN VAN SICKLEN celebrated her third birthday April 13 and a very lucky party it was. Her guests were Jerry Hanson, Renton Rolph, Nancy Miller, Dyke DeWitt, Dana Miller, Jim Marshall, Cathy Slattery and Richard Jackson.

VIRGINIA BURDE was five years old April 14 and entertained at a luncheon. A green and yellow scheme made the day very Springlike. The children blew bubbles, played with balloons and had a great time. Those enjoying the fun were: Denise Cullen, Marilyn Anderson, Sandy Folliard, Betsy Merrill and Sally Ann Sutton.

DAVID NELSON had a roller skating party at Rollerland April 17 to celebrate his eighth birthday. After this, and very hungry indeed, the children came back for

To Central America

W. O. Nichelmann of 7 La Cuesta is enjoying a three-week business trip to Central America.

He flew via Pan American, visited relatives and friends in San Salvador and Costa Rica, and is returning by way of Guatemala and Mexico.

DID YOUR MONEY MAKE MONEY LAST YEAR?

A lot of people just aren't satisfied to let their funds lie idle... especially these days.

They need more income. One way to get that income is to own dividend-paying shares in American corporations.

SUTRO AND COMPANY have a helpful informative booklet listing 299 stocks which have paid dividends every year from 20 to 103 years.

This booklet, "Investment Facts About Common Stocks and Cash Dividends," also contains helpful, informative explanations on how stock is purchased, what stock ownership means and many other interesting facts.

SUTRO AND COMPANY will be pleased to send you this helpful informative booklet without cost or obligation.

Fun, Fried Chicken Promised to Men

FUN and FRIED CHICKEN for husbands!

It's no ordinary box supper that the feminine half of St. Stephen's is concocting for its men May 18.

Mrs. Clinton DeWitt, Jr., in charge of the affair, called a meeting last week at the home of Mrs. Robert Moorehead. The event will be at the Moorehead home.

The evening will hold several surprises, the exact nature of which was not divulged but judging from the "Cat-Ate-the-Canary" expression of the committee members, anything can happen!

Hostesses for the evening will be Mesdames Clinton DeWitt, Jr., Ernest Kahl, John D. Van Dyne, William David Coleman, Roy Johnston and Eugene Shurtleff.

Call either Mrs. Moorehead, Orinda 8077, or Mrs. DeWitt, Orinda 5361, to reserve your chicken leg!

Kappa Kappa Meets

Mrs. Edward de Laveaga (Alyson Hales), province president of Kappa Kappa Gamma, was among Bay Area representatives at the 10th biennial convention held at the chapter house at U.S.C. in Los Angeles recently.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.
